Each tenderer must pay, as earnest money, a sum of Rs. 100 (rupees one hundred only) into the branch of the Imperial Bank of India or into the Government treasury or sub-treasury within the jurisdiction of the Executive Engineer concerned, to the credit of revenue deposits on behalf of the Executive Engineer of the Kistna Central Division and enclose with his tender the challan endorsed accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from the date of tender, whichever is earlier. This refund will be authorized by the Executive Engineer by suitable endorsement on the challan. The earnest money will not be received in cash or currency notes by the Public Works Department officers.

The earnest money will be retained in the case of the successful tenderer, and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Division office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender, sign an agreement in the departmental K 2 form for the due fulfilment of contract. Failure to enter into the required agreement shall entail forfeiture of the earnest money.

5. The several items of work noted in the schedule are to be executed as per the Madras Detailed Standard Specifications or supplemental specifications for which reference is given against each. The tenderer should carefully study the drawings, specifications and all the documents relating to the work, so that he may have an idea of the nature of the work he is undertaking to execute. These can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Kistna Central Division.

6. The tenderer's particular attention is drawn to the conditions and to the directions to parties tendering detailed on the K-2 agreement form and also to the sections and clauses in the Standard Preliminary Specification, of the Madras Detailed Standard Specifications dealing with (a) Materials and workmanship—Section D, clauses 26 to 27—and (b) included in the contract rates—Section E, clauses 33 to 41 and 43.

7. Every tenderer is expected, before quoting his rates to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other sources defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specifications, or in this tender notice, or as required by the Executive Engineer, in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractors after examination of the source of materials defined in the Descriptive Specification sheet, is of opinion that material, complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification sheet, he shall so state clearly in his tender and state therefrom he intends to obtain materials subject to the approval of the Executive Engineer, Kistna Central Division.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of seigniorage, tolls, etc.

8 The rate tendered should be for finished work in site inclusive of all incidental charges connected with its execution and should be quoted in rupees, annas and in sums of three pies. The rates should be written in words and figures and the units in words. The tender should be written legibly and free from erasures, overwritings or conversions of

figures. Corrections where unavoidable should be made by crossing out, initialing, dating and re-writing.

9. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump sum amounts for items not called for shall not be included in the tender. The tenderer should mark out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

10. The materials that will be supplied by Government and the places and rates at which they will be supplied, are noted at the end of the schedule accompanying the tender form. Tenderers must accept the materials at these rates and places specified and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No carriage or incidental charges will be borne by Government in connexion with this supply.

11. No part of the contract shall be sublet without written permission of the Executive Engineer, nor shall transfer be made by power-of-attorney authorising others to receive payment on contractor's behalf.

12. If further necessary information is required, the Executive Engineer, Kistna Central Division, will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

13. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor, and to split up the whole work into convenient sub-groups.

Such tendering corporation may be required, before the contract is executed, to furnish evidence of its corporate existence.

3. Each tenderer must pay, as earnest money, a sum of Rs. 50 (rupees fifty only) into the branch of the Imperial Bank of India or into the Government treasury or sub-treasury within the jurisdiction of the Executive Engineer concerned, to the credit of revenue deposits on behalf of the Executive Engineer of the Kistna Central Division and enclose with his tender the chalan endorsed accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from the date of tender, whichever is earlier. This refund will be authorized by the Executive Engineer by suitable endorsement on the chalan. The earnest money will not be received in cash or currency notes by the Public Works Department officers, save in exceptional cases, when there are no treasuries or banks within the jurisdiction of the officer calling for tenders. When currency notes are given, the tenderer should sign his name in full with date, on the back of all the currency notes given by him whatever their denominations may be.

The earnest money will be returned in the case of the successful tenderer, and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Division office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer, Krishna Central Division, of acceptance of his tender, sign an agreement in the departmental K-2 form for the due fulfilment of contract. Failure to enter into the required agreement shall entail forfeiture of the earnest money.

5. The several items of work noted in the schedules are to be executed as per the Madras Detailed Standard Specifications or supplemental specifications for which reference is given against each. The tenderer should carefully study the drawings, specifications and all the documents relating to the work, so that he may have an idea of the nature of the work he is undertaking to execute. These can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Krishna Central Division.

6. The tenderer's particular attention is drawn to the conditions and to the directions to parties tendering detailed on the K-2 agreement form and also to the sections and clauses in the Standard Preliminary Specification, of the Madras Detailed Standard Specifications dealing with (a) Materials and workmanship —Section D, clauses 20 to 27—and (b) included in the contract rates—Section E and clauses 33 to 41 and 43.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kiln, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other sources named shall be used on the work. In every case the materials must comply with the relevant standard specifications. Samples of materials as called for in the standard specifications, or in this tender notice, or as required by the Executive Engineer, in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion, that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard 'Preliminary Specification' regarding payment of seigniorage, tolls, etc.

8. The rate tendered should be for finished work in situ inclusive of all incidental charges connected with its execution and should be quoted in rupees, annas or annas or three pies. The rates should be written in words and figures and the units in words. The tender should be written legible and free from erasures, overwritings or conversions of figures. Corrections, where unavoidable should be made by crossing out, initialing, dating and rewriting.

9. Tenders offering a percentage deduction from or increase on the estimate amount and those not submitted in proper form or in due time will be rejected. Rates or lump sum amounts for items not called for shall not be included in the tender. The tenderer should work out his own rates, without reference (being made to the Public Works Department current schedule of rates or to the Public Works Department estimation rates which are not open for inspection by tenderers.

10. The materials that will be supplied by Government and the places and rates at which they will be supplied, are noted at the end of the schedule accompanying the tender form. Tenderers must accept the materials at these rates and places specified, and shall quote their rates for finished work accordingly. Notwithstanding any subsequent change in the market value of these materials, the charge to the contractor will remain as originally entered in the written contract. No cartage or incidental charges will be borne by Government in connection with this supply.

11. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorising others to receive payment on the contractor's behalf.

12. If further necessary information is required, the Executive Engineer, Krishna Central Division, will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

13. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason thereof, and to split up the whole work into convenient sub-groups.

Letter from the Raja of Bobbili, Shareham Palace, Ootacamund, to the Collectors of Vizagapatam and Ganjam, and copy to the Secretary to the Board of Revenue, Land Revenue and Settlement, Madras, dated Ootacamund, the 27th May 1935.

[Application under section 4 of the Madras Impartible Estates Act, 1904 (Madras Act II of 1904) as amended by Madras Act III of 1934—Sale of Birdi Estate, Ganjam district—Acquisition of parts of Sangamvalasa "B" Estate and others.]

I am the registered holder of the Birdi Estate which is situated in that portion of Ganjam district proposed to be transferred to the new Province of Orissa. Birdi is about 200 miles from Bobbili, the headquarters of my estate. It is proposed to purchase the above as follows:—

6 Embaram Estate consisting of the five villages	8,500	1,50,000

(3) The grounds for regarding such transaction as advantageous in and for the benefit of the impartible estate specified in clause (a)—Villages Nos. 3 to 8 are my personal property which I propose to incorporate with the impartible estate after receiving their value from the sale-proceeds of the Birdi estate. Consent of the owners of Sangamvalasa "B" and Embaram estates in lieu of the owner of villages No. 9 is obtained and enclosed herewith. The estate of Birdi is situated in that portion of Ganjam district proposed to be transferred to the province of Orissa. All the rest of my Bobbili estate is within the Madras Presidency. It is obvious that the administration of properties of estates lying part of two provinces subject to the jurisdiction of two separate law courts, with different laws and Taxations, will cause difficulties and inconvenience. The villages proposed to be purchased with the sale proceeds of Birdi for the purpose of incorporation with the Bobbili estate either adjoin or lie within the limits of Bobbili estate. The transaction will result in administrative convenience and economic and efficient management.

The net income and purchase value of the properties to be exchanged for and purchased are Rs. 32,658 and Rs. 7,93,000 as against Rs. 32,358 and Rs. 8,00,000, respectively, relating to the Birdi estate proposed to be sold; the balance of Rs. 7,000 will be utilized for stamp and registration charges of the transaction.

Bill No. 6 of 1935—The Madras Co-operative Land Mortgage Banks (Amendment)—Tamil, Telugu Kanarese, Malayalam and Hindustani.

Report of the Select Committee to be presented to the Legislative Council of the Governor of Madras.

Under S.O. 41 of the Standing Orders of the Madras Legislative Council, the following Report of the Select Committee on the Bill to provide for the better administration and governance of certain Hindu Maths (Bill No. 24 of 1934) is published :—

BILL No. 24 OF 1934.

To

THE HONOURABLE THE LEGISLATIVE COUNCIL
OF THE GOVERNOR OF MADRAS.

The Select Committee appointed to consider the Bill to provide for the better administration and governance of certain Hindu Maths (Bill No 24 of 1934) has the honour to make the following report.

2. The Bill was published in the *Fort St. George Gazette*, in English on 13th November 1934,

in Kanarese on 5th February 1935,
in Telugu and Oriya on 12th February 1935,
in Tamil on 26th February 1935, and
in Malayalam on 19th February 1935.

3. The Committee met on the 28th January 1936 in the Committee Room, Fort St. George, and decided to call for written memoranda in respect of the provisions of the Bill from maths and from persons interested in the Bill. On 16th March 1935, it again met at the Committee Room, Fort St. George, and *inter alia* decided to hear oral representations from selected persons at Stonehouse Hill, Ootacamund. For the purpose of hearing such oral representations it accordingly met at Stonehouse Hill from the 20th to the 25th, the 27th and the 28th of May 1935, and again resolved to meet at the Legislative Council Chamber, Fort St. George, where it met from the 2nd to the 5th July 1935.

4. On the 3rd of July, Sir A. P. Patro gave notice of a motion to the following effect:—

> "That this Committee requests the Chairman to report to the Legislative Council that in view of the evidence already recorded and the opinions printed and circulated it is of opinion that this Bill may be dropped"

After notice to all the members of the Committee inclusive of those who were absent at its meetings, this motion was taken for discussion on the 5th July 1935 after the conclusion of all available evidence. During the discussion on the motion, Mr. Subbayya Naydu said, on behalf of Government, that the Government kept a neutral attitude towards this motion at this stage. The author of the Bill, Mr. Subrahmanya Bhatt, made a statement that he was not in favour of several provisions of the present Bill though he had not made up his mind as to his further attitude towards it.

Mr. Patnaik then made the following motion, viz.:—

> "That the further consideration of this motion be adjourned to some day after the printing and circulation to the members of the Committee of all the evidence heard by the Committee till now and after the evidence of a representative of the Hindu Religious Endowments Board has been heard"

This motion after discussion was lost by 8 to 7 The motion of Sir A. P. Patro was after further discussion resolved in the affirmative by a majority of 7 to 6. The Committee reports accordingly.

Secretary to the Council.

Bill to be introduced in the Council of the Governor of Fort St. George assembled for the purpose of making Laws and Regulations.

Under rule 18 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

BILL No. 9 OF 1935.

A Bill to amend the Madras Co-operative Land Mortgage Banks Act, 1934, for a certain purpose.

WHEREAS it is expedient to amend the Madras Co-operative Land Mortgage Banks Act, 1934, for the purpose hereinafter appearing; Madras Act X of 1934.

AND WHEREAS the previous sanction of the Governor-General has been obtained to the passing of this Act;

It is hereby enacted as follows:—

1. This Act may be called the Madras Co-operative Land Mortgage Banks (Amendment) Act, 1935. Short title.

2. In section 29 of the Madras Co-operative Land Mortgage Banks Act, 1934, after the words "receive payment of such debt or part thereof from the bank", the words "at its registered office" shall be inserted. Amendment of section 29, Madras Act X of 1934. Madras Act X of 1934.

STATEMENT OF OBJECTS AND REASONS.

Section 29 of the Madras Co-operative Land Mortgage Banks Act, 1934, provides that where a mortgage is executed in favour of a mortgage bank for the payment of the prior debts of the mortgagor, the bank may, by notice in writing,

require any creditor to whom any such debt is due, to receive payment of such debt or of part thereof from the bank within such period as may be specified in the notice. If the creditor fails to receive such notice or such payment, the debt or part thereof is to cease to carry interest from the expiration of the period specified in the notice. The section as it stands is however silent as to the place where the payment should be made. Under the ordinary law-section 49 of the Indian Contract Act—the debtor is bound to find the creditor and pay the debt at a reasonable place appointed by the creditor. It will be very inconvenient for the mortgage banks to pay creditors at the places appointed by the latter. The object of the amendment made by the Bill is to enable mortgage banks to make the payments at their registered offices.

ഉദ്ദേശകാരണങ്ങളുടെ വിവരണം.

പണയം വെക്കുന്ന ആളുടെ ഉൽകടങ്ങൾ വീട്ടുവാൻവേണ്ടി ഒരു പണയ ബോങ്കിനു ഒരു പണയാധാരംഎഴുതികൊടുത്തിരുന്നാൽ ആ ബോങ്ക എഴുത്തുള്ളവനുള്ള നോട്ടീസിനാൽ, ആ വക വസ്തു കടവും മടക്കികിട്ടേണ്ടതായ എതു ഉത്തമർണ്ണനോടും ആവക കടത്തിന്റെ സംഖ്യയോ ആയതിന്റെ ഭാഗമോ ആ ബോങ്കിൽനിന്നു ആ നോട്ടീസിൽ പറയുന്ന കാലത്തിനുള്ളിൽ മടക്കി വേടിച്ചുകൊള്ളുവാനായി ആവശ്യപ്പെടാവുന്നതാണെന്നു, 1934 ലെ മതിരാശി പരസ്പര സാഹായിക നിലം പണയ ബോങ്ക ആക്ട് 29 - ാം വകുപ്പിൽ നിബന്ധന ചെയ്തിട്ടുണ്ടു. ആ ഉത്തമർണ്ണൻ ആ നോട്ടീസോ ആ സംഖ്യയോ സ്വീകരിപ്പാൻ വിസമ്മതിക്കയോ, അതു സംഗതിപോലെ ആ കടസംഖ്യയോ ആയതിന്റെ ഭാഗത്തിന്നോ ആ നോട്ടീ
